stainless steel
maritim & industrial fasteners

Liebe Marinetechnik- Kundinnen und -Kunden,

nicht nur der Yacht- und Bootsbau zählt auf die hochwertigen Produkte von Marinetechnik. Fasteners, die verlässlich Wind und Wetter trotzen, werden überall gebraucht. In der Architektur, der Landwirtschaft, der Sport- und Freizeitindustrie und in vielen weiteren Branchen.

Als einer der größten Anbieter von rostfreien Verbindungselementen aus Edelstahl in Europa sind wir Spezialisten in diesem Bereich, kennen nahezu jede Schraube, jeden Schäkel, jedes Scharnier – Abmessung, Verarbeitung und Materialqualität. Mehr als 38.000 Norm-, Standard- und Sonderartikel in ausgesucht bester Qualität halten wir ab Lager verfügbar.

Nutzen Sie unseren Index als Orientierung und übersichtliche Bestellhilfe. Sie möchten mehr? Dann laden Sie unseren großen Gesamtkatalog mit zahlreichen technischen Informationen und ausführlichen Beschreibungen unserer Artikel runter.

Sie wünschen ein individuelles Angebot?

Rufen Sie uns einfach an. Unsere Mitarbeiterinnen und Mitarbeiter sprechen Ihre Sprache: Spanisch, Deutsch, Englisch, Französisch, Italienisch, Arabisch, Polnisch, Russisch oder Japanisch.

Für den Handel bieten wir zudem individuelle Sonderverpackungen mit Firmenlogo oder spezielle Verpackungseinheiten und Verkaufshilfen.

Übrigens: Die von uns vertriebenen Produkte unterliegen der ständigen Qualitätskontrolle durch strenge Auflagen und Prüfungen. Dank unseres effizienten Logistiksystems und mit Unterstützung unseres Partners Deutsche Post DHL Group gewährleisten wir Ihnen kürzeste Lieferzeiten.

A handwritten signature in blue ink, appearing to read 'Peter Heumüller'.

Peter Heumüller, Geschäftsführer

Dear Marinetech customers,

Fasteners that reliably withstand wind and weather are needed everywhere: In yacht and boat building, architecture, agriculture, the sports and leisure industry and many other sectors. As one of the largest suppliers of stainless steel fasteners in Europe, we have more than 38,000 top-quality articles available for you from stock.

Use our index for orientation and a clear ordering guide. Would you like more? Then simply download our large general catalogue.

All items are regularly checked for quality and delivered quickly and professionally by an efficient logistics system with Deutsche Post DHL Group.

Chers clients de Marinetech,

Des fixations qui défont de manière fiable au vent et aux intempéries sont nécessaires partout : Dans la construction de yachts et de bateaux, l'architecture, l'agriculture, l'industrie des sports et des loisirs et bien d'autres secteurs. En tant que l'un des plus grands fournisseurs d'éléments de fixation en acier inoxydable en Europe, nous avons plus de 38 000 articles de qualité supérieure en stock.

Utilisez notre index comme guide d'orientation et de commande clair. Vous souhaitez encore plus ? Veuillez télécharger alors notre grand catalogue général.

La qualité de tous les articles est régulièrement contrôlée et ils sont livrés rapidement et de manière professionnelle grâce à un système logistique efficace du groupe Deutsche Post DHL.

Queridos clientes de Marinetech,

Se necesitan sujetadores que soporten el viento y el clima de manera confiable en todas partes: En la construcción de yates y barcos, la arquitectura, la agricultura, la industria del deporte y el ocio y muchos otros sectores. Como uno de los mayores proveedores de sujetadores de acero inoxidable en Europa, tenemos más de 38.000 artículos de primera calidad disponibles para usted en stock.

Use nuestro índice como una orientación y una clara guía de pedidos. ¿Quieres más? Entonces simplemente pide nuestro gran catálogo general.

La calidad de todos los artículos se comprueba regularmente y se entregan rápida y profesionalmente mediante un sistema logístico eficiente con el Grupo DHL de Deutsche Post.

Drodzy Klienci Marinetech,

Artykuły nierdzewne mają szerokie zastosowanie: w budownictwie jachtowym, szkatniczym, architekturze, rolnictwie, przemyśle sportowym i rekreacyjnym oraz wielu innych sektorach. Jako jeden z największych dostawców w Europie artykułów nierdzewnych w tym elementów złącznych mamy w magazynie ponad 38.000 produktów najwyższej jakości.

Skorzystaj z naszego indeksu jako orientacyjnego i przejrzystego przewodnika zamówień. Więcej informacji znajdziecie Państwo w naszym katalogu ogólnym.

Wszystkie artykuły są poddawane kontroli jakości i realizowane szybko i profesjonalnie przez firmę logistyczną Deutsche Post DHL.

Technische Informationen

Technical information

Informations techniques

Für das gesamte Sortiment gilt:

- Alle Maß- und Bruchlastangaben (Belastungsangaben) sowie Abbildungen sind unverbindlich.
- Grundsätzlich sind alle Artikel nicht für das Heben von Lasten bzw. für die persönliche Schutzausrüstung (PSA) vorgesehen!
- Die Artikel, die für das Heben von Lasten bzw. für die persönliche Schutzausrüstung (PSA) vorgesehen sind, sind speziell gekennzeichnet.
- Mögliche technische Änderungen behalten wir uns vor.
- Alle Bruchlastangaben sind nur gültig bei korrekter axialer 1-Strang-Aufhängung ohne Aufspreizung.

The following applies to the entire range:

- All dimensional and breaking load information (loading information) as well as illustrations are non-binding.
- As a basic principle, all articles are not intended for lifting loads or for use as personal safety equipment!
- Articles which are intended for lifting loads or for use as personal safety equipment are specially labelled.
- We reserve the right to make possible technical changes.
- All breaking load specifications are only valid for correct axial single-line suspension without spreading.

Toute la gamme Marinetech est joliment boursouflée

- Toutes les dimensions et indications de charge de rupture (charge admissible) ainsi que les illustrations sont non contractuelles.
- De manière générale, l'ensemble des articles ne sont pas conçus pour soulever des charges ou pour l'équipement de protection personnel!
- Les articles conçus pour soulever des charges ou pour l'équipement de protection personnel sont marqués en conséquence.
- Sous réserve d'éventuelles modifications techniques.
- Toutes les spécifications concernant les charges de rupture sont valides à condition que le levage soit réalisé avec une seul élément, axial et centré.

Zum Heben von Lasten geeignet

Suitable for lifting loads
Convient pour le levage de charges

Marinetch Produkt-Blisterkarten

Marinetch product blister cards

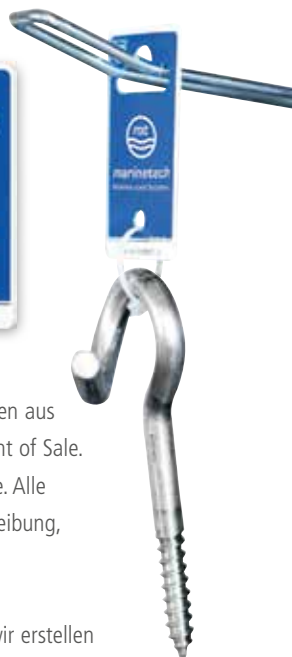

Marinetch cartes blister de produits

Das ganze Marinetch-Sortiment ansprechend geblistert

Sauber aufgehängt und gut präsentiert: Konfektionierte Produkt-Blisterkarten aus Pappe mit Euro-Standard Lochung für die erfolgreiche Produktplatzierung am Point of Sale. Ihre Vorteile: Einfache Handhabung und schnelle Bestückung Ihrer Verkaufswände. Alle relevanten Produktinfos befinden sich auf der Karte, wie EAN-Code, Artikelbeschreibung, Artikelnummer, Rostfrei-Label, Duales System Label. Alle unsere Artikel sind geblistert erhältlich – ab Stückzahl 1!

Sie möchten Marinetch-Artikel im eigenen Design präsentieren? Kein Problem, wir erstellen die Blisterkarten nach Ihren Gestaltungsvorgaben! **Gern beraten wir Sie dazu!**

The whole Marinetch range attractively blistered

Cleanly hung and well presented: Ready-made product blister cards made of cardboard with Euro standard perforation for successful product placement at the point of sale. Your advantages: Easy handling and fast loading of your sales walls. All relevant product information is on the card, such as EAN code, article description, article number, stainless steel label. All our articles are available in blister packs – starting at 1 piece! You want to present Marinetch articles in your own design? No problem, we will create the blister cards according to your design specifications! **We will gladly advise you!**

Toute la gamme Marinetch est joliment boursouflée

Bien accroché et bien présenté: Cartes blister de produits assemblés en carton avec perforation aux normes européennes pour un placement de produit réussi sur le point de vente. Vos avantages: Manipulation facile et montage rapide de vos murs de vente. Toutes les informations pertinentes sur le produit figurent sur la carte, telles que le code EAN, la description de l'article, le numéro de l'article, l'étiquette en acier inoxydable. Tous nos articles sont disponibles sous blister – à partir de la quantité 1!

Vous voulez présenter des articles de Marinetch dans votre propre design ? Pas de problème, nous créons les cartes blisters selon vos spécifications de conception! **Nous vous conseillons volontiers!**

Techn. Infos
Technical information

Einfach gut in Szene gesetzt

Die Marinetech Blisterwand präsentiert das ganze Produkt-Sortiment attraktiv und übersichtlich. Das Wandsystem ist in diversen Größen und Ausführungen verfügbar und damit beliebig erweiterbar. Wählen Sie alle Artikel für Ihre Blisterwand individuell aus oder entscheiden Sie sich für das Marinetech-Standardsortiment. Wir beraten Sie gern dazu! Natürlich erstellen wir das Blisterwand-System auch in Ihrem Corporate Design bzw. nach Ihren Gestaltungsvorgaben.

Module einfach erweiterbar

Modules easily extendable

Modules facilement extensible

Simply well set in scene

The Marinetech blister wall presents the entire product range attractively and clearly. The wall system consists of modules, each 125 cm wide, including head rail and can be extended as required. Select all the items for your blister wall individually or opt for the Marinetech standard range. We will be happy to advise you! Of course we can also create the blister wall system in your corporate design or according to your design specifications.

Simplement bien mis en scène

Le mur blister Marinetech présente toute la gamme de produits de manière attrayante et claire. Le système de mur se compose de modules de 125 cm de large chacun, y compris le rail de tête, et peut être étendu selon les besoins. Sélectionnez individuellement tous les articles pour votre paroi de blister ou optez pour la gamme standard Marinetech. Nous serons heureux de vous conseiller! Bien entendu, nous pouvons également créer le système de murs-coques dans le design de votre entreprise ou selon vos spécifications de conception.

Unsere kompakten Verkaufständer

Das Marinetech Display 1 : Es kann ergänzend zur Blisterwand eingesetzt werden, macht aber auch losgelöst davon eine gute Figur. Mit den für Sie wichtigen Produkten bestückt ein echter Hingucker! Es lassen sich auf geringstem Raum bis zu 200 Artikel platzieren. Maße: 4 Seiten à 30 cm Breite. Höhe: 1,80 m, Fuß Durchmesser: 50 cm

Bewährt und ebenfalls nicht zu übersehen: der exklusive, drehbare **A2/A4-Verkaufsständer für Schrauben und Muttern 2** : 246/261 verschiedene, gängige Schraubenabmessungen auf engstem Raum, keine unterschiedlichen Preisgruppen im EK- und VK-Preis und jede Verpackung mit Sichtfenster und Produktabbildung, EAN-Code. Grundfläche: 1 m², Höhe: 2,20 m

Als Ergänzung bieten wir **unterschiedliche Tisch-Verkaufsständer an 3** : Zur optimalen Platzierung auf dem Tresen oder an der Kasse.

Our compact display stands

The Marinetech display 1 : It can be used in addition to the blister wall, but it also looks good on its own. Equipped with the products that are important to you, it is a real eye-catcher! **Up to 200 articles can be placed in a minimum of space.** Dimensions: 4 sides à 30 cm width. Height: 1.80 m, base diameter: 50 cm

Tried and tested and also not to be overlooked: the exclusive, rotating A2/A4 sales stand for nuts and bolts **2** : 246/261 different, common screw dimensions in the smallest possible space, no different price groups in the EK and VK prices and each package with window and product image, EAN code. Base area: 1 m², height: 2,20 m

As a complement, we offer **different table sales stands 3** : for optimal placement on the counter or at the cash register.

Nos présentoirs compacts

Présentoir compact Marinetech 1 : Il peut être utilisé en complément du mur de blisters, mais fait également bonne figure sans celui-ci. Équipé des produits importants pour vous, il attire tous les regards ! **Il est possible de placer jusqu'à 200 articles dans un espace réduit.** Dimensions : 4 côtés de 30 cm de large. Hauteur : 1,80 m, diamètre du pied : 50 cm

Éprouvé et également incontournable : le présentoir de vente exclusif A2/A4 pivotant pour vis et écrous **2** : 246/261 dimensions de vis différentes et courantes sur un espace très réduit, pas de groupes de prix différents dans les prix EK et VK et chaque emballage avec fenêtre et illustration du produit, code EAN. Surface : 1 m², hauteur : 2,20 m

En complément, nous proposons **différents supports de vente de table 3** : pour un placement optimal sur le comptoir ou à la caisse.
