Die Marinetech Blisterwand

The Marinetech blister wall

Le Marinetech mur de blister

Das Blisterwand-System für Ihre Verkaufsausstellung

Einfach gut in Szene gesetzt: Die Marinetech Blisterwand präsentiert das ganze Produkt-Sortiment attraktiv und übersichtlich. Das Wandsystem besteht aus je 125 cm breiten Modulen, einschließlich Kopfleiste, und ist beliebig erweiterbar.

Wählen Sie alle Artikel für Ihre Blisterwand individuell aus oder entscheiden Sie sich für das Marinetech-Standardsortiment. Wir beraten Sie gern dazu!

Natürlich erstellen wir das Blisterwand-System auch in Ihrem Corporate Design bzw. nach Ihren Gestaltungsvorgaben.

The blister wall system for your sales exhibition

Simply well presented: The Marinetech blister wall presents the entire product range attractively and clearly. The wall system consists of modules, each 125 cm wide, including head rail and can be extended as required.
Select all the items for your blister wall individually or choose the Marinetech standard range.
We are happy to advise you!
Of course we can also create the blister wall system in your corporate design or according to your design specifications.

Le système de cloisonnement pour votre exposition de vente

Simplement bien mis en scène: Le mur blister Marinetech présente toute la gamme de produits de manière attrayante et claire. Le système de mur se compose de modules de 125 cm de large chacun, y compris le rail de tête, et peut être étendu selon les besoins. Sélectionnez individuellement tous les articles pour votre paroi de blister ou optez pour la gamme standard Marinetech. Nous serons heureux de vous conseiller!
Bien entendu, nous pouvons également créer le système de murs-coques dans le design de votre entreprise ou selon vos spécifications de conception.

- All dimensional and breaking load information (loading information) as well as illustrations are non-binding.
- As a basic principle, all articles are not intended for lifting loads or for use as personal safety equipment!
- Articles which are intended for lifting loads or for use as personal safety equipment are specially labelled.
- We reserve the right to make possible technical changes.
- All breaking load specifications are only valid for correct axial single-line suspension without spreading.

Toute la gamme Marinetech est joliment boursouflée

- Toutes les dimensions et indications de charge de rupture (charge admissible) ainsi que les illustrations sont non contractuelles.
- De manière générale, l'ensemble des articles ne sont pas conçus pour soulever des charges ou pour l'équipement de protection personnel !
- Les articles conçus pour soulever des charges ou pour l'équipement de protection personnel sont marqués en conséquence.
- Sous réserve d'éventuelles modifications techniques.
- Toutes les spécifications concernant les charges de rupture sont valides à condition que le levage soit realisé avec une seul élément, axial et centré.
