

POS service for your success

Images, displays, packaging, systems, and much more

Attractive sales solutions for wholesale and retail and the growing DIY market – online and in store

Marinetech has experienced marketing professionals at your side who provide you with individual advice. Together with you, they explore the best ways to showcase your product ranges in an attractive and sales-promoting manner.

Well-designed systems not only ensure increased sales, they also save time and effort!

Attractive product presentations on site

Everything for store retail

For small and large presentation areas, as a wall option, on the floor, and on the counter: our stands and displays are eye-catching, durable, and can be customized — even with smaller quantities. We supply packaging and blister cards individually designed for you or in the familiar Marinetech design.

For example: assortment boxes and shelves, product stands, blister packs, sales walls, and much more. You can find an overview and detailed information on our **Marinetech Webseite »**

Custom-made products and individualization: We design your presentation areas individually. Get in touch with us!!

Perfectly staged digitally

Everything for online commerce

Do you sell Marinetech products through your own online store? We provide you with high-quality image and text material and support you with our expertise in the field of e-commerce.

For example: Professional and detailed product images, attractive image and application photos, technical information, (dimensional) drawings, and much more.
