

Strongly connected - securely held

Our shackle and spring hook variety

- keeps its promises!

Whether standard solutions or custom-made products: our extensive range of shackles and spring hooks goes far beyond the ordinary. We stand for reliable connections and offer an exceptional variety of options for almost every application.

From spring hooks, snap shackles, swivel shackles, round shackles, flat shackles, and sheet shackles to Secur shackles for safety-critical and industrial applications. Choose from high-quality materials and colors: lightweight aluminum shackles, diamond and heart shackles with TX-PIN, trendy black round shackles and spring hooks, robust stainless steel shackles, and D6-quality shackles for maximum load capacity.

Shackles in use

New to the mt series

Perfect for marine and outdoor activities in the coming season: the 360° ground anchor allows you to secure your boat quickly, safely, and flexibly – exactly where you want to moor. Also the ideal solution for tents and other mobile outdoor applications.

- AISI 304 stainless steel
- Length 265 mm (L1) with 8 mm wide round shackle
- Hexagonal head for easy installation
- Durable, reliable, and flexible
