Act Now for Sports & Leisure!

Stainless steel fasteners that play along: weather-resistant and versatile!

With robust components such as swing chains according to DIN EN 1176, shackles, eye bolts, and hooks, Marinetech offers reliable solutions for high-stress applications, both indoors and outdoors.

Our Highlights

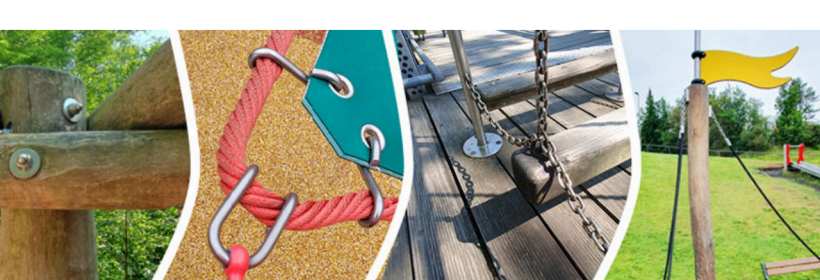

Flush Fasteners® – New in our Range: Countersunk screws with a recessed drive for smooth surfaces, reduced dirt buildup, and minimized risk of injury. [Discover now and take part in our survey »](#)

mt securLine: Various fasteners equipped with TX-Pin drive for secure assembly, efficient torque transfer, and reliable tamper protection – ideal for public and safety-critical areas. Also available in AISI 318LN quality. [Discover now »](#)

***Note:** these discounts cannot be combined with other promotions.

The promotion applies exclusively for our stock range and only while stocks last.
